

K-3 FDL OS In-building Schooling

K-3 Families,

Here's some information regarding the start of in-building schooling.

- In-building learning will begin on March 24, 2021.
- Yes, you can choose to continue online learning with your child. Please make sure the classroom teacher knows your choice.
- **All students will have school each day (either in-school or online as both will be offered)** except for days listed on our regular school calendar. Days highlighted **in blue** are in-school learning days.
- Online students will have school on blue highlighted days and will still meet in their google classroom.
- In-building learning will start as 9:00am and end at 1:00pm. After break, we will lengthen the school day if COVID19 numbers do not rise.
- Students will also have online schoolwork assigned on days that end at 1:00pm.
- Transportation will call you regarding bus pick-up and drop-off times.

Please see the Preparedness Plan at our FLDOS website. It explains the measures we are taking to keep our staff and students healthy.

Please see calendars below.

In April, we begin in-building teaching three days if COVID19 numbers continue to be stable (online learning also takes place on the days highlighted in blue). If COVID19 numbers rise we will slow down the in-building learning for our students and continue with online learning. If COVID19 numbers do not rise we will add April 19 and 26 to the in-school learning.

Our 4th and 5th grade classes will be starting in-school learning on April 13, 2021. We have not made a decision regarding the in-building schooling of the 6th grade classes.
